Office of Legislative Counsel

Thursday - 14 August 58

Harry Carter, Deputy General Counsel, USIA, telephoned to advise that Senator Humphrey had queried him during consideration of a supplemental appropriation bill for USIA concerning the two transmitters proposed for disposal to AMCOMLIB. Harry Carter, not knowing the story, indicated that he thought all of the surplus equipment was being recalled. Mr. Carter was furnished the necessary information in order that he could correct the impression left with Humphrey.
